

Virtual Class Reflection Questions

1. Summarize: What was this program mostly about? How would you describe it to a friend that didn't get to see the program?
2. What was your favorite part of the virtual class and why?
3. List three things that you learned during the virtual program that you didn't know before.

I did not know that...
1.
2.
3.

4. What are three similarities and three differences between the time period you learned about and your life today?

Similarities	Differences
1.	
2.	
3.	

5. If you could ask the presenter one more question, what would it be?

Bonus: See if you can do the research to find the answer to that question yourself. What did you learn?
