^a Small volumes of natural gas representing onsystem sales to industrial consumers in Idaho are included in the annual total but not in monthly components.^R Revised data.^{NA} Not available.Source: U.S. Energy Information Administration (EIA): Form EIA-857, *Monthly Report of Natural Gas Purchases and Deliveries to Consumers*.

Note: Geographic coverage is the 50 states and the District of Columbia. Totals may not equal sum of components because of independent rounding and/or withheld data. Appendix A, Explanatory Note 6, contains a discussion of computations and revision policy.
